

Parcours for the Future

Save the date!

Topic: Conference on Future European labour market and VET challenges

Where? Online ([GoToWebinar](#))

When? 17th October 2023 10:00-12:00 CET

What? Online conference in the framework of the Erasmus+ project *Parcours for the Future* with experts on labour market research, skills anticipation, climate protection and vocational orientation. The main topic will be the **current and future trends of the European labour market: challenges and solutions for vocational orientation**. The conference will benefit educational stakeholders in Europe, especially the community of practitioners from partner countries. Find out more [here](#).
